Project 02 Final Submission Checklist

Deadline: 12 October 2026 · 11:59 PM PKT

Done	Check	Requirement
■	Analysis report	8–12 pages; all five samples; sender, domain age, URL, headers, social engineering and comparison table.
■	Awareness poster	A3 PDF plus PNG; readable at distance.
■	Employee guide	One-page PDF.
■	Quiz	Ten questions with answer key.
■	Safety	No live links, credentials, personal addresses or unredacted identifiers.
■	Folder permissions	Google Drive set to “Anyone with the link can view.”
■	Private-window test	Open the folder link in Incognito/Private mode and open every file.
■	Submission form	Enter full name and batch ID; paste the tested folder link.
■	Deadline	Submit before 11:59 PM PKT; keep the link live until results are announced.
■	Review preparation	Be ready to explain SPF, DKIM, DMARC, all five verdicts and safe URL handling.

Recommended Google Drive folder name

tsg-cybersec-p02-muhammad-ali-kashif

Upload only the final deliverables. The raw phishing emails are not required unless the evaluator specifically requests sanitized evidence. Do not upload live malicious attachments or clickable URLs.
